INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(d)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97, Applicants bring to the attention of the Examiner the documents listed on the attached PTO 1449. This information disclosure statement is being filed after the events recited in § 1.97(c), but before payment of the issue fee. Under the provisions of 37 C.F.R. § 1.97(d), this information disclosure statement includes the statement specified in § 1.97(e)(2) and the fee set forth in § 1.17(p).

No item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a *counterpart* foreign application, and, to the best of the knowledge of the undersigned after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in § 1.56(c) more than three months prior to the filing of the information disclosure statement.

The documents were first cited in a communication from the European Patent Office in a counterpart foreign application of United States Application No. 09/967,259, now United States Patent 6,648,520, which is the *parent* application of the present application. The communication was made known to the undersigned on September 9, 2004.

Copies of the listed documents are attached.

Applicants respectfully requests that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claims in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of any such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

Please charge the fee set forth in § 1.17(p) to our Deposit Account No. 19-2167. If there are any other fees due in connection with the filing of this response, please charge the fees to our Deposit Account No. 19-2167.

Respectfully submitted,
